Races

Fleet Feet Sports Savannah has the following opportunities (below) available for your race. We will customize what we are able to offer you based on the size of your race, how many years your race has existed, your history with Fleet Feet Sports Savannah, and what other races we are currently involved with. Please let us know what you would like for us to do for you, and we will let you know what we can offer.

- Finish Line Arch
- Sound System
- Mile Markers
- Race Numbers
- Plastic Bags for race packet
- Host packet pick up at the store

We may ask your race to purchase two (2) \$25 Gift Certificates to raffle off at your event depending on how many of our services we provide you with.

Charity Events-

We do offer in-kind donations (Gift Certificates, etc.) to charity events. However, this is limited because of the amount of support we provide to local races. Please contact us and we will determine if we are able to support your charity. This decision will be based on what other events we are currently supporting and your history with Fleet Feet Sports Savannah.

Race Production-

We offer race director tips on our website to those who are looking for help with putting on an event. We are not a race production business (Course design, race day management, registration management, etc.), so we have chosen to limit ourselves to a few key races that we actually produce. If you do not find the help you need on our website, or from other on-line resources, we can serve in a consulting capacity for a small fee. Again, this is dependent on what other races we are currently involved in. Although we do believe in supporting as many races as we can, and produce some quality events like the Enmark Savannah River Bridge Run and The Savannah Mile, we cannot take on more races than we can handle. We are a specialty running and walking store, and our focus remains on providing the best we can in fit and service to our customers. Please contact us if you would like to explore our race director consulting services. Our fees will be based on your needs.

Important Note:

Fleet Feet Savannah requires all sponsored races to be properly insured and managed, following the USATF, RRCA, and USA Triathlon guidelines.

All race materials that will include the Fleet Feet logo must be approved by Fleet Feet Sports Savannah.

Fleet Feet Sports Savannah does not sponsor clubs, teams, or individuals athletes.
